

## Why Use An Interior Designer? Ask Yourself These Questions:

- ✓ Is every minute of every day filled with work, kids, and volunteer obligations? Do you feel as though you just can't add one more thing to your busy life?
- ✓ When you look at fabrics and paint, are there so many choices that you just don't know where to start?
- ✓ Did you start to redecorate your room and buy a few nice pieces, but just don't know what to do with them?
- ✓ Have you seen pictures in magazines of the look you want but don't know how to make it happen in your home?
- ✓ Are you (and your partner) having trouble agreeing on what to do?
- ✓ Have you bought pieces through the years but don't know how to make them work together?
- ✓ Do you own a house with character and don't know how to decorate the home and remain true to its history?
- ✓ Are you finally at the stage where you want to coordinate the colors and style of your whole home but don't know how to do it without having it seem boring?
- ✓ Do you want to do some major renovation involving moving walls or lighting fixtures?
- ✓ Do you have more money now and want to have your home reflect your step up in life?
- ✓ Have the kids moved out and you'll be using your home more for business entertaining and need a more formal look than you're comfortable tackling as a novice?
- ✓ Did you visit a local Designer Showhouse and see **the** perfect room, and you'll settle for nothing less than that very designer to do your room?
- ✓ Have you seen some pieces of furniture or fabrics that are available "to the trade only"?
- ✓ Do you need work done but don't know any qualified contractors to do it?
- ✓ Do you want someone else to hassle with ordering and installing the decorative elements?
- ✓ Do you have your heart set on some elaborate faux painting or custom-designed cabinets?
- ✓ Do you want your home to be "one-of-a-kind," unlike anything you've seen before?
- ✓ Do you have good taste and a vision but need someone else to put it all together?
- ✓ Does it seem as though all the stores have the same things and you want something unique?
- ✓ Do you have a particular look in mind but don't know how to achieve it?
- ✓ Do you have architectural plans for a new house but want a pro to confirm that everything will look right?

**If you answered "YES" to any of these questions, you should probably consider consulting with, if not hiring, a professional Interior Designer to help you with your residential or commercial project. You'll find that it's an investment in your property as well as your happiness.**
